INDEX OF CURRENT B.C. REGULATIONS

Filed under the *Regulations Act*

1958 to December 31, 1986, inclusive

(regulations bringing Acts into force not included)

PREFACE

The original *Regulations Act*, enacted March 20, 1958, by c. 49, S.B.C. 1958, for the first time required that all regulations as defined in the Act be filed with the Registrar and published in the B.C. Gazette. Accordingly, for the purpose, a separate Part II of the B.C. Gazette was inaugurated on April 17, 1958, wherein the regulations are published as required. The Act further provided that **"Every regulation in effect when this Act comes into force shall be filed with the Registrar on or before the thirty-first day of December, 1959."** Accordingly, in the Index it will be noted that frequently the earliest regulations filed under an Act are dated 1958 or 1959, and this Index includes all regulations filed since March 20, 1958, which are still in effect.

Prior to 1958 only those regulations were published in the B.C. Gazette which were required by the statute under which they were made to be so published. These were not given regulation numbers, but were published in the B.C. Gazette under the order in council number under which they were made.

Although section 10 of the original Act required every regulation in effect when the Act came into force to be filed before December 31, 1959, many regulations in effect at that date were not so filed. The second *Regulation Act*, (enacted September 1, 1973 and revised as c. 361, R.S.B.C. 1979), provided that **"A regulation made before September 1, 1973 ceases to have effect after December 1, 1973 unless it is filed under this Act or was filed under the Act repealed by this Act."**. It will be noted that such regulations are referred to in the Index by order in council number only where they have been amended by a regulation made after 1959. (Strictly speaking, neither the order nor its amendment has any effect.)

The present *Regulations Act* came into force on October 26, 1983, and for the first time incorporated a "key word" concept – if the empowering section of the pertinent statute uses the word "regulation" or "prescribe" then the order is also a regulation. Thus, a large number of items which previously appeared in this publication have now been delisted as they do not meet the new definition of a regulation.

Inquiries concerning regulations should be directed to the Ministry administering the Act or the Registrar of Regulations. Inquiries about orders in council should be directed to the Order in Council Office (387-4376).

INDEX OF CURRENT B.C. REGULATIONS

These regulations are still technically in effect, but not all are in active use. Most, but not all, have been published in the B.C. Gazette, Part II. Regulations made under a repealed Act but which are still in use are listed under the replacement Act. Some regulations which were previously listed no longer meet the definition of "regulation" under the new *Regulations Act* (S.B.C. 1983, c. 10) and so have been deleted from this index. Symbols used are as follows:

* = not published

\# = published in Part I Gazette

Citations such as "1985-55-42" signify the year, chapter and section of a statute.

PLEASE NOTE that many statute titles were changed in the **Revised Statutes of British Columbia, 1979**. Where 2 or more Acts were consolidated into one, the regulations of same will all be found under the new title.
